The CONSTITUTIONAL CATARRE REMEDY is the first article piaced before the public that proposed to cure Catarrh by building up the Constitution. It struck at the root of the whole difficulty, and thousands upon thousands of proposed to cure Catarrh by building up the Constitution. It struck at the root of the waste difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvelous cures, and, what is remarkable, curing not only the Catarrh, but all other allments at the same time. This is what it always does. The following statement is only a sample of what we are constantly receiving, from well known people to whom you can write, and not to begue ones. Catarrh and its attendant evils, cold in head, backing cough, inciplent consumption, headache pains in back and loins, dizzness, lauguidness, loss of appetite and general weakness, all leave together when the Constitutional totarrh Remedy is taken as recommended.

CATAKRH

A Man Cured of Catarrh of Forty

Years' Standing.

SO BAD THAT IT IMPAIRED HIS EYE.

Lowell. Mass., Feb., 17, 1878.

Messes. Little field & Co:—I have been entirely cured of Satarrh by the use of the Constitutional Catarrh Remedy. I have had it for forty years, and so severely that my eyesight was impaired by it. I was almost dead my head was always stopped up. I could not breathe freely, often at night I could not sleep being kept awase by a dropping in my throat, sometimes so badly as to almost strangle me. The discharge from my nose was fetid and my breath was always foul; I had, too, a continual buzzing in my head, and headache almost all the time, buring forty years I have tried almost every medicine for Catarrh in the market, but without receiving any permanent benefit until I used Constitutional Catarrh Remedy. After using two bottles I was very much relieved, and used in all six bottles, and am now Complexely cured. My eyesight is good. I can hear as well as very I could. I have no disagre able discharges from my nose, no droppings in my throat can breathe perfectly free and sleep every night soundly. My general health is bet er than it has been for fourteen years, and all owing to the Constitutional Catarrh remedy.

Price \$1 per bottle. A Pamphlet of a pages giving a treatise on Catarrh. With it numerable cases of cures, sect FREE by as dresing the Propietors.

My Dear Benefactor - Your theory
that malaria is a poison, and La

from the system, is true to the letter. Ever since last April I have
used this remedy in chilis and

quinine or any other preparation

to say it is the sinc qua non for that
disease as well as an other disease
a cure that never laifs.
